

ANDREW PELLER LIMITED WINS NATIONAL SUSTAINABILITY AWARD

GRIMSBY, Ontario – October 7, 2015 – Andrew Peller Limited (Toronto Stock Exchange: ADW.A/ADW.B) (the “Company”) announced today that its Global Vintners Inc. (“GVI”) subsidiary has been recognized by Clean50 as one of its Top 15 Projects for GVI’s innovative approach to environmental sustainability. Global Vintners had retained Enviro-Stewards Engineers to identify practical measures to reduce its environmental footprint while also increasing profitability.

The award-winning project has identified opportunities to save significant amounts of water, electricity and natural gas while at the same reducing the use of approximately 27 hectares of vineyards to produce the same quantity of finished product. The sustainability measures implemented to date are expected to result in savings of approximately \$300,000 annually with a payback on investment within only 1.2 months of implementation.

Canada’s Clean50 annually recognizes Canada’s leaders in sustainability for their contributions over the prior two years. The Clean50 Top15 Projects recognize those projects completed in the prior two years based on their innovation and their ability to inform and inspire other Canadians.

“We are very proud to have received this prestigious recognition for our commitment to environmental sustainability,” commented John Peller, President and Chief Executive Officer. “This award demonstrates that our focus on reducing our environmental footprint can also generate reduced costs and enhanced profitability, key goals in enhancing shareholder value over the long term.”
